About ACSES

Association of Computer Science and
Engineering Students

ACSES began with a mindset of encouraging beginner coders to experience competitive programming & focused to improve problem solving skills.

Our vision is to help students nurture and grow their interpersonal and technical skills. We provide platform for students to show their coding skills by organizing various coding competitions every year. We also organize technical workshops based on various programming languages.

PIONEER
2022

Pioneer

National level Technical Event

The Indian Society for Technical Education (ISTE) is the leading National Professional non-profit making Society for the Technical Education System in our country with the motto of Career Development of Teachers and Personality Development of Students and overall development of our Technical Education System. And ISTE student chapter in KITCOEK, just like every year this year too has arranged “PIONEER”.

PIONEER is the bridge between students and their technical skills. It is the a national level event organized by the students of KITCOEK. It is a platform for creative minds to showcase their innovational skills. It is a foundation where students get to experience various aspects of life.

Program Highlights

- + National level technical coding Competition
- + 4000+ students reach during event time
- + 400+ student participation in event
- + 500+ Followers on Social media reach
- + 700+ WhatsApp Community reach

Last year, Two competitive event of coding were arranged with considering the event Theme as of movie ‘Dr.Strange Multiverse of Madness’ . The two Event were divided on basis of programing language type and in total 3 round were arranged according to the company level intern questions to make student prepare for the company by the mode of this event. The winners and runner ups were selected on basis of the final coding round evaluation which was done by the use of platform ‘HackerRank’ . The winners were awarded by our faculty Coordinator and Chief guest Who were our Sponsors. With a total reach of 4000+ Students and 400+ entries for the event the Pioneer was Successfully conducted.

Events Organized

By ACSES

Smart India Hackathon (SIH) 2022

Smart India hackathon is a government event which is a national competition for the students which include problem solving and team work. In 2022 KIT's College of Engineering was selected as one of Nodal Center out of 56 Centers all around India. This event was carried out by team ACSES all through which we managed everything from accommodation of Students and Mentors to distribution of Prize. Around 400 people were present for the event for 36 hrs and the we managed food and all the other facility for every single individuals

Alumni Meet 2023

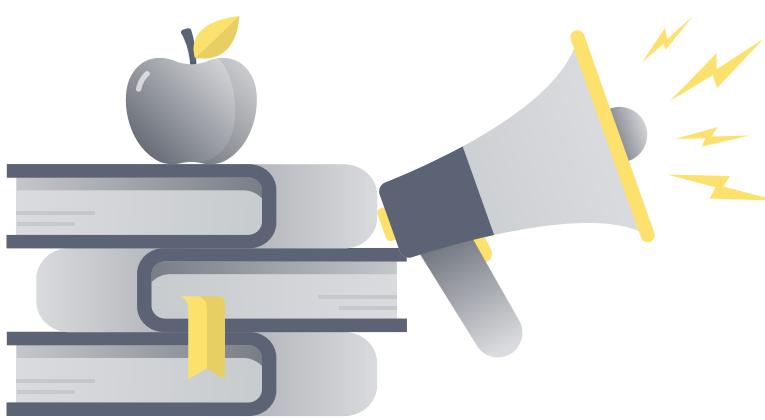

Team ACSES arranged the alumni meet for the Computer Science and IT Pass out student from batch 2003 till last batch. Around 200+ peoples have arrived to this event and a nice decoration with memory path and beautiful speech which made all the student and the faculty remember their old days was done by ACSES.

Seminars and Techtalk

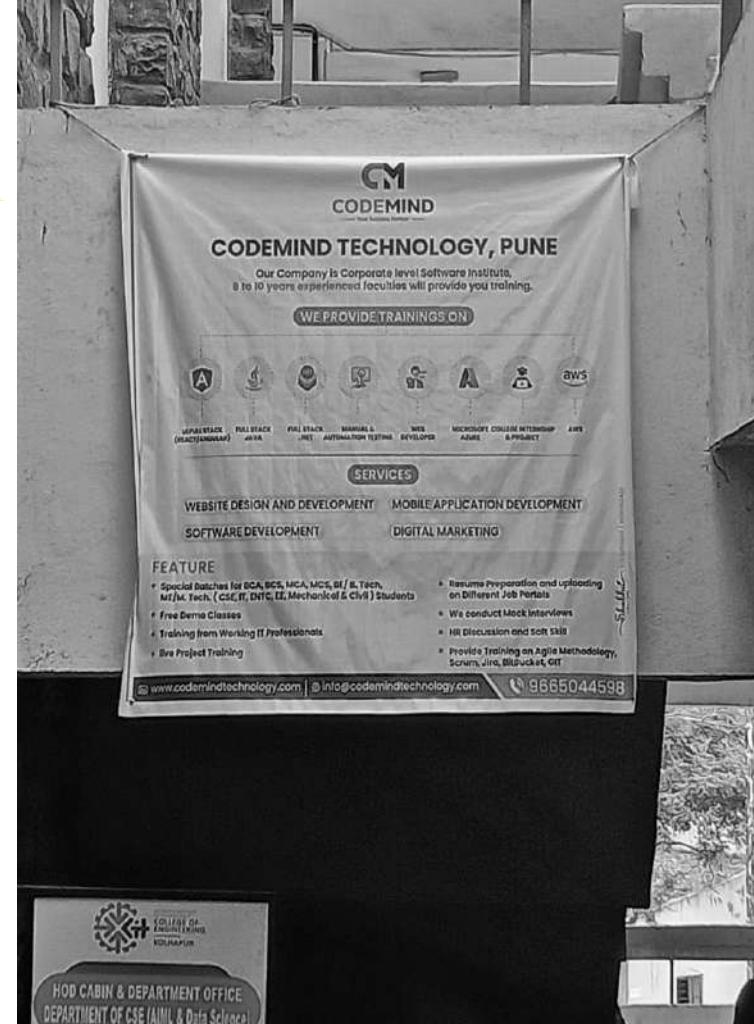

ACSES has been working on arranging workshops and seminar for the Engineering Student which will help all the department student to choose a better path towards success. In Average, We have a count of over 200+ students for seminars and we are reaching out for more students to help them out
